# Auditor General for Wales' Audit Certificate and report

I report in respect of my audit of the accounts under section 13 of the Act, whether any matters that come to my attention give cause for concern that relevant legislation and regulatory requirements have not been met. My audit has been conducted in accordance with guidance issued by the Auditor General for Wales.

I certify that I have completed the audit of the Annual Return for the year ended 31 March 2021 of:

**Sully and Lavernock Community Council**

## Auditor General's report

### Audit opinion - Qualified

Except for the matters reported in my Basis for Qualification below, on the basis of my review, in my opinion no matters have come to my attention giving cause for concern that in any material respect, the information reported in this Annual Return:

- has not been prepared in accordance with proper practices;
- that relevant legislation and regulatory requirements have not been met;
- is not consistent with the Council's/Committee's governance arrangements; and
- that the Council/Committee does not have proper arrangements in place to secure economy, efficiency and effectiveness in its use of resources.

### Basis of qualification

#### Accounting statement

The Accounting Statement has been amended from that originally approved by the Council I am unable to conclude whether or not the Council has approved the changes made from the original submission.

#### Annual Governance Statement

The Council's Annual Governance Statement does not accurately reflect the Council's governance arrangements for 2020-21:

- The internal audit report identifies deficiencies in the Council's governance arrangements that are not reflected in the Annual Governance Statement
- The Accounting Statement has been amended from that originally approved by the Council I am unable to conclude whether or not the Council has approved the changes made from the original submission.

### Other matters arising and recommendations

I draw the Council's attention to the following matters which although they do not impact on my audit opinion, should nevertheless be considered by the Council.

#### Precept

The Accounting Statement reports the precept for 2020-21 as £94,091. The correct value is £94,081. This means there is a corresponding error elsewhere in the accounting statement. We recommend that before the Council approves the accounting statement it ensures that the statement is properly prepared and is arithmetically correct.

#### Next steps

We will continue to monitor the Council's progress in implementing the recommendations made in the Auditor General's report in the public interest issued in October 2021 from the 2022-23 audit onwards.

There are no further matters that I wish to draw to the Council's attention
